SUMMARY

Final-year B.Sc. (Hons) Biotechnology student at Bundelkhand University (graduating 2027) with hands-on laboratory training in molecular biology, microbiology, fermentation, food microbiology, and quality control. An AI-native builder: ships working web tools and education platforms using modern AI development tools, and communicates science clearly through interactive study content. Seeking a research internship in biotechnology, food science, or the life sciences.

EDUCATION

B.Sc. (Hons) Biotechnology, Bundelkhand University, Jhansi - 2024-2027 (Expected 2027), CGPA 6.5/10

Class XII (CBSE) - 2022, 67%

Class X (CBSE) - 2020, 88%

TECHNICAL SKILLS

Laboratory: Molecular Biology, Microbiology, Fermentation, Food Microbiology, Quality Control, Food Safety, Aseptic Technique

AI & Digital Tools: Fluent with modern AI tools for research, scientific writing, data organization, and building web applications; AI-assisted development workflow

Languages: English, Hindi

PROJECTS

BioVision Lab - Interactive Biology Study Website

Sep 2026

- Built an interactive biology study site with 3D visuals and quizzes covering core biotechnology and life-science topics, using AI-assisted development tools.
- Designed for exam preparation - demonstrates the ability to explain complex biological concepts clearly, a key skill in research communication.

BanaoBot - WhatsApp Chatbot Builder for Small Businesses

Aug 2026 - Sep 2026

banaobot.onrender.com

- Built a self-serve platform where small businesses create human-sounding WhatsApp chatbots without coding.
- Auto-builds a product catalogue from pasted text or a menu photo/PDF, with per-message Hindi/English/Hinglish detection.

ADDITIONAL

- Preparing for IIT JAM 2027 (Biotechnology), ICAR AIEEA PG 2027, and AIIMS M. Biotechnology 2027 - focused preparation in molecular biology, microbiology, and biochemistry.
- Science communicator: produces biology education content and interactive study tools for students.
